**nGager Training and User Guide
(Grant Application Endorsement by
Academic Dean)**

Table of Contents

1.1.1 ENDORSE APPLICATION

Once the Host Institution's Research Director has endorsed an application, the Academic Dean will receive an email notification to provide their endorsement.

Applications can be endorsed while the grant call is open.

If an application is not endorsed by the grant call closing date, it will lapse.
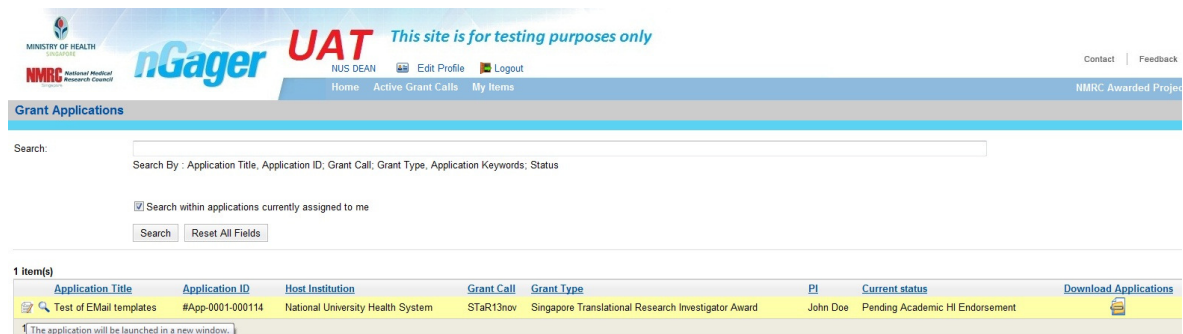

1.1.1.1   Endorsement By Academic Dean

Once an application has been endorsed by the Host Institution, the application will be routed to the Academic Dean for endorsement.

To endorse an application:
- Select 'Grant Applications > Pending Academic Endorsement' in the navigation menu

- Click on the icon [ ] to view the selected application.
